1. INTRODUCTION

On May 24, 2000, Enkido, Inc. ("Enkido") filed an application to provide facilities-based and resold local exchange, exchange access, and interexchange telecommunications services only in Maricopa County, Arizona.

2. BACKGROUND

On August 6, 2001, in Decision No. 63929, the Commission approved Enkido's application for a Certificate of Convenience and Necessity ("CC&N").

3. STAFF'S ANALYSIS

On September 11, 2001, Staff issued a Memorandum informing Enkido that it had not met compliance requirements ordered by the Commission in Decision No. 63929, dated May 24, 2000, as described in the attached Compliance Delinquencies Report (Attachment A). Staff informed Enkido that, as a result of this non-compliance, the CC&N granted by Decision No. 63929 was considered void.

In addition to not complying with the requirements of Decision No. 63929, Enkido has not filed any Annual Reports, as required by R14-2-1115(F).

On July 10, 2007, Nayel Shafei, the President of Enkido, contacted Staff by phone and via email (Attachment B) to explain that Enkido has never conducted telecommunications business in Arizona, has never provided service to any telecommunications customers in Arizona and would appreciate Staff's efforts in cancelling Enkido's CC&N.

4. RECOMMENDATIONS

Since Enkido has never complied with the requirements of Decision No. 63929, has never conducted telecommunications business in Arizona and has never provided service to any telecommunications customers in Arizona, Staff recommends that Enkido's CC&N be cancelled.
